

FRIENDS OF THE PHIL
Support of a musician in the Phil by pledging \$250 or more!

Whether you have a passion for percussion or love to celebrate the strings, you know that the individual musicians who make up the Boulder Philharmonic Orchestra are what make the organization extraordinary. You can have a lasting impact on the Boulder Phil's future by pledging your support to a musician in the orchestra through the **Friends of the Phil** pledge initiative.

SPONSORSHIP BENEFITS INCLUDE:

- Information about your sponsored musician
- Acknowledgement in concert programs with musician listing
- Invitation to post-concert event with musicians
- Invitation to special open rehearsals of the Boulder Phil

By making a pledge of *two or more years* as a **Friends of the Phil** sponsor, you provide critical support to the Phil by directly underwriting a portion of a professional musician's salary. Our roster boasts some of the finest professional players in the region, and their artistry is at the heart of the concert experience that audiences thrill to season after season. Hiring the most qualified musicians requires a significant investment, and your participation in **Friends of the Phil** helps support the most talented artists in our community.
