

The Boulder Phil stands with the people of Ukraine and deplores the senseless violence of war. We have partnered with Project C.U.R.E., and we will be collecting donations of medical supplies ([link to a list of specific items](#)) that can be brought into our office March 14th-18th or to our concert at Macky Auditorium on March 19th. [Project C.U.R.E.](#) also accepts monetary donations to help offset the burden of shipping costs at this time.
